

Bilingual Health Promoter/ Community Health Worker *Positions Available*

The Asian American Health Initiative is seeking community-oriented, enthusiastic, and caring people to promote health and wellness in the Asian American community. We want a diverse group of individuals from all Asian ethnicities – Thai, Burmese, Bangladeshi, Vietnamese, Korean, Pakistani, Cambodian, Indonesian, Laotian, and much more!

Give a voice to your community's needs while helping others!

Position Requirements:

- ✚ Possess basic health knowledge
- ✚ Speak at least one Asian language in addition to English
- ✚ Available to work some evenings and weekends
- ✚ Attend meetings and trainings
- ✚ Participate in health fairs and outreach events
- ✚ Average commitment of 6+ hours a month

Attendance at trainings and outreach activities is paid.
